

➤ **Type of Machine**

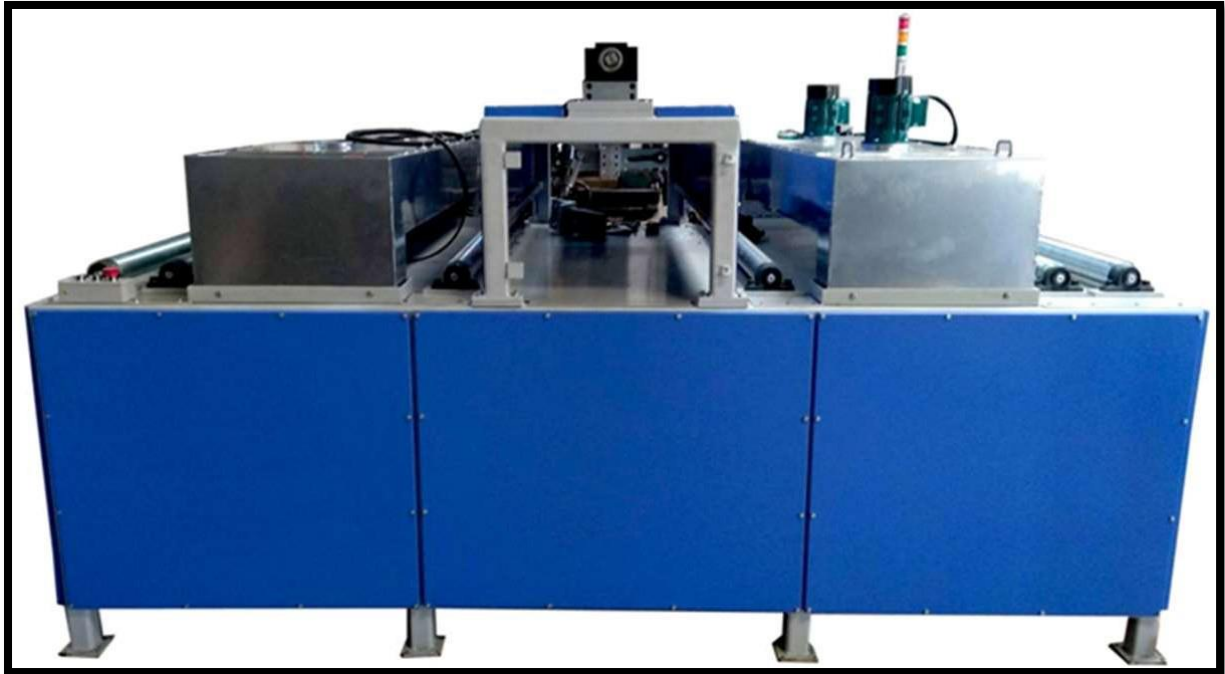

1. Vertical Fabric Coating Machine

➤ **Product Parameters:**

Product Parameters	Rotary Fabric Coating Machine
Spraying Area	1000 mm
Electrical Power Supply	415 V AC, 50 Hz
Pneumatic Air Supply	4-6 bar
Fluid handling system	MS Pressure feed tank10/ 20/ 40 l with stirrer system & weighing scale
Auto Spray Gun	Iwata Auto spray gun
Auto flush	2 l Gun Cleaning Tank
Loading / Unloading	Manual operation

2. Linear Fabric Coating Machine

➤ Product Parameters:

Product Parameters	Linear Fabric Coating Machine
Spraying Area	1000 mm
Electrical Power Supply	415 V AC, 50 Hz
Pneumatic Air Supply	4-6 bar
Fluid handling system	MS Pressure feed tank 10/ 20/ 40 l with stirrer system & weighing scale
Auto Spray Gun	As per requirement
Auto flush	2ltr Gun Cleaning Tank
Loading / Unloading	Manual operation
